

Closure Takeaway Grid Guidelines

** Updated **

- Going forward, you will be assigned three Numeracy (Maths) and three Literacy (English) lessons each week.
- These will be slightly different activities than before, and will be more like lessons from school.
- Along with that, you can pick some activities from the Grid below to complete and upload to Seesaw at the end of the day.
- This Grid will last for two weeks, so pick some activities for each day and mark them off as you complete them.
- I'm looking forward to receiving your work. Best of Luck!
