

Closure Takeaway Grid Guidelines

- As a school we want to offer your child the opportunity to continue to learn whilst away from the classroom over the coming weeks.
- The Takeaway is designed to give you the opportunity to promote learning at home in a fun and interactive way.
- All tasks are designed to consolidate the learning that has taken place so far this school year.
- There is a mix of English, Maths and Topic tasks that your child can choose from.
- Tasks are **optional**. As few or many tasks can be completed as desired.
- When a task is completed, please colour the square.
- Some tasks may ask for evidence (a photo, drawing or piece of writing), you can send these through to the class teacher on Seesaw.
